**Dubai, UAE. 23 July, 2018.** Brought to you by the city's hottest Chinese bistro, Maiden Shanghai, in collaboration with the global party brand behind the multi award-winning Candypanths Brunch comes '**Dim Sum Disco**' and '**Drunch Disco**'. Launching Friday 27 July, this high-end, energetic new experience offers a contemporary and imaginative menu alongside a beverage package that is set to be the most electric party atmosphere in Dubai.

Dim Sum Disco, which takes place 1pm to 4pm every Friday, offers guests a sharing style contemporary Chinese menu served a la carte. The menu features a range of reimagined and MSG free dishes, including Chef Bing's crispy prawn and seabass roll and organic Kung Pao chicken. The brunch package also includes free-flowing house bubbles, house beverages and selected signature cocktails for AED395.

Aloki Batra, CEO Five Hospitality, said comments; *"We are very excited to be strengthening our relationship with the Candypanths team and to be adding another unmissable event to FIVE Palm Jumeirah's experience-led calendar. We've had great success with our Candypanths Saturday ladies day brunch at The Penthouse and feel the collaboration with Maiden Shanghai and Candypanths for Dim Sum Disco will provide a unique and exciting brunch offer in the city."*

CandypanTs has built what has arguably become Dubai's most famous party brunch, attended by over 50,000 people in the last four years including the likes of Justin Bieber and Flo Rida.

Ray Chan, the brainchild behind the CandypanTs movement, said; *“The Dim Sum Disco concept is something myself and our Dubai manager Nick Purvis have worked on for a while and we really feel it offers something completely different to anything else that’s in the market right now.”*

*“It’s a boutique take on our original brunch concept that still sits under the CandypanTs umbrella. Showcasing a high-end contemporary Chinese menu alongside our famous party atmosphere. FIVE Palm Jumeirah is one of the most exciting venues in Dubai right now and we can’t wait to be working with them on both a Friday at Maiden Shanghai and on Saturdays at The Penthouse.”*

Guests can keep the party going by opting for the additional Drunch Disco package from 4pm to 8pm. The disco continues into the early evening with a three-drink package for AED100 whilst guests enjoy lively tunes from renowned local DJ Adam Graca.

The stylish restaurant, located at FIVE Palm Jumeirah, is set over three floors of both indoor and outdoor space and offers the perfect setting for an unforgettable day out with friends.
