Dubai, UAE 6 June 2018: The Penthouse, FIVE Palm Jumeirah's stylish rooftop bar and lounge, has announced the details for its VIP World Cup extravaganza, featuring a full lineup of entertainment including live matches, competitions and pool parties.

Kicking off with a bang at 7pm on June 14, The Penthouse will be transformed by a transparent air-conditioned tent covering the city-side of the lounge for football fans to watch the game and enjoy the stunning skyline views. Multiple TV screens will showcase the games throughout the tournament, accompanied by DJs and percussionists to create a stadium-like atmosphere.

"FIVE has created the ultimate VIP viewing experience for this year's World Cup. We've got it all; from exclusive seating to live matches, entertainment and incredible prizes. There won't be anywhere else as exciting to watch the tournament this summer," said Alok Batra, CEO FIVE Hospitality.

If that's not enough to get UAE football fans excited, The Penthouse is offering a series of competitions including the chance to win tickets to the World Cup and the holiday of a lifetime as part of its ultimate prize giveaway.

Access to The Penthouse experience is complimentary with a minimum spend on VIP tables for large groups.

On the Marina side, The Penthouse party-goers can expect business as usual with the best nightlife line-up in Dubai overlooking the cityscape. Every Tuesday is Ladies Night with three complimentary beverages for the girls. Rewind Wednesday's continues with legendary Dubai DJ Tim Cheddar spinning the best of the 80s, 90s and 00s cheesiest hits from 9pm to 2am.

For those who are looking for a cooler pool option during the day, The Penthouse Day Pass is available from 11am to 7pm seven days of the week and for the weekends expect to see live DJ's each Thursday at Skyline Thursday. Don't forget that Dubai's party brunch presents Candypants every Saturday from midday to 8pm.
