### Looking to shake up Dubai's social scene, FIVE Jumeriah Village has a new gastropub concept.

Known for brewing world-class craft hops, Chicago born Goose Island makes its debut in Dubai at FIVE Jumeirah Village. The new neighbourhood hangout welcomes friends and family to enjoy one of the largest selections of hops in town amidst a relaxed atmosphere.

The venue features 14 specially curated hops on tap, including your favourite Goose Island craft hops, priced at AED 45 per bottle and AED 55 from the tap. Craft hops are also the theme of the cocktail menu that includes several artisan concoctions.

The thirsty quenching beverages are complemented by a menu that includes pub grub classics such as pizzas and burgers, alongside vegetarian and vegan options. For dessert, the Goose chocolate mousse and jumbo ice cream cookie sandwich are not to be missed!

A lively roster of entertainment includes an indoor gaming area ideal for beating the summer heat and features simulated golf, pool tables and large television screens with live coverage of all major sporting fixtures. The ideal place to watch the semi-finals and final of the Euros, private screening booths are located in the centre of all the action, meaning you can pick your personal viewing choice of sports.

The inclusion of a barrel room means hop and juniper tastings can be arranged and the space is also available to rent for private gatherings.

This new neighbourhood hangout is inclusive and welcoming, meaning no strict dress codes and the permittance of shorts and flip-flops. There will also be a live DJ on the weekends to ensure that all-important FIVE vibe.

“FIVE Hotels and Resorts are constantly reinventing the culinary, beverage and entertainment experiential offers, and with that in mind we are thrilled to introduce Goose Island to Dubai! The ultimate chill ‘meet and mingle’ hub in Dubai, this famed and award-winning tap house aims to bring the highest quality of hops to the heart of Dubai at FIVE Jumeirah Village.”, Alok Batra, CEO, FIVE Hotels and Resorts.

Goose Island joins Sole Street and Trattoria by Cinque
