Brand-new brunch launching at Goose Island Tap House

Live entertainment, craft hops, golf simulator and more

It seems to be the season of new [brunches](#) launching all across the city – from Time Out award-winning restaurant [CLAP](#) to [Saffron 2.0](#), [Candypants](#) at W Dubai – The Palm and more – and now there’s another to add to your list of “brunches I need to check out this weekend”.

The recently opened [Goose Island Tap House](#) at [FIVE Jumeirah Village](#) is launching a party brunch next weekend, and it’s promising to take brunching back to basics.

Priced at Dhs375 per person with free-flowing house beverages, craft hops and mixed drinks included, the afternoon kicks off with a “breakfast in bed”-inspired spread.

Brunchgoers will be greeted with a sharing platter packed full of British breakfast favourites like sausages and bacon, hash browns, and eggs on toast (all of which can be washed down with bubbly and orange juice, and tomato-based mixed drinks).

Next up is a selection of Goose Island’s signature dishes to share, including mini cod and chops, grilled prawns, chicken wings, tacos, and sliders.

Sweet tooth? Desserts include jumbo ice cream sandwiches, chocolate mousse, and mango pot de cream.

And it’s not a proper party **brunch** without a line-up of live entertainment, right? A live DJ will be on hand to help get things going while a band will be belting out British bangers. For brunchers who fancy a few swings of a golf club, Goose Island has a golf simulator (which will really test just how much fun you’ve had at brunch).

Launching on Friday September 3, the brand-new brunch will run every Friday between 12.30pm and 4pm with post-brunch offers available, pool, and hops pong.

Dhs375 (with house beverages, hops and mixed drinks). Fri 12.30pm-4pm.
Launching Fri Sep 3. FIVE Jumeirah Village, JVC,
