IVE Hotels & Resorts are set to add a third hotel to their Dubai portfolio, announcing the arrival of FIVE Beach on Dubai's JBR. Set to open in 2023, the property will see FIVE transform the former under-construction Corinthia Meydan Beach into a quintessential FIVE property, complete with signature gourmet dining and glamorous entertainment.

Complimenting FIVE Palm Jumeirah and [FIVE Jumeirah Village](#), FIVE Beach will welcome guests to 227 contemporary suites and 102 lavish serviced residences, each finished to FIVE's state-of-the-art standard and set against the backdrop of the glittering Arabian Gulf. Five-star facilities will include seven dining and nightlife venues to transport guests across the globe, as well as a REFIVE Spa, which promises to be a pampering oasis for an array of luxury treatments.

FIVE Zurich will open in 2022

FIVE will rebrand the former Atlantis by Giardino hotel, which closed in the wake of the coronavirus pandemic, into FIVE Zurich in 2022. Promising to restore the historic hotel, previously frequented by the likes of Freddie Mercury, Grace Jones, Muhammed Ali and Rihanna, to its original glory, guests can also expect touches of Dubai's modern luxury hospitality.
